# Local Population Studies Supplements

## A GLOSSARY FOR LOCAL POPULATION STUDIES

A revised and enlarged edition to be published early in 1979. It contains articles on demographic terms and methods, on simple statistics and on sources for local population studies. A bibliography and a list of useful addresses are included. £1.80 (postage and packing 12p)

## ORIGINAL PARISH REGISTERS
## In Record Offices and Libraries (1974)

£2.25 (postage and packing 18½p) North America $7 (post free)

## THE FIRST SUPPLEMENT
## to Original Parish Registers (1976)

£1.80 (postage and packing 12p) North America $5 (post free)

## THE SECOND SUPPLEMENT
## to Original Parish Registers (1978)

£2.00 (postage and packing 12p) North America $5 (post free)

These list the original parish registers in England and Wales which have been deposited in Record Offices and Libraries, with details of the place of deposit of each. Further supplements will keep the changing situation up to date.

## THE PLAGUE RECONSIDERED
## A new look at its origins and effects in 16th and 17th century England

This book sets out for the historian and for the general reader the medical and epidemiological facts essential for the understanding of plague and its effects, and exposes the areas of controversy still remaining. It illustrates them by case studies of plague epidemics at Bristol, Colyton and Eyam.

£3.65 (postage and packing 25p) North America $10 (post free)

These supplements may be obtained from booksellers or from

Miss E. O. Peach, Tawney House, Matlock, Derbyshire, DE4 3BT.

Postage is free on 5 or more volumes. Members of the **Local Population Studies Society** may purchase supplements at reduced prices from Miss Peach.
